Declaration on 27 June 1939.

1. Whereas the Naval Forces of the Japanese Empire initiate naval operations against Wenchow and Fuchow beginning on 27 June 1939, the naval as well as civilian vessels of Third Powers lying within the said ports are requested to shift their positions to the waters East of $121^{\circ} 15'E$ in the case of Wenchow, and East of $119^{\circ} 50'E$ in the case of Fuchow, by noon 29 (Japanese time).

After the said time the entrances of Wenchow and Fuchow ports will be blockaded with obstacles and dangerous objects because of necessity arising from the said naval operations, and will be made impossible thereafter for ships to pass through. We shall not be made accountable for any damage, whether direct or indirect, incurred by ships not having shifted their positions by the time specified above.

2. Locations where dangerous objects will be placed are as follows:

(a) Wenchow:

East of the Taitou Channel, Central parts of the North and South Channels.

(b) Fuchow:

East part of Yuntou Channel (near the central buoy).

(c) As Wenchow, Fuchow and their vicinities are expected to become theaters of combat, it is requested that people of Third Powers be made to evacuate as expeditiously as possible.
